

Jimmy Buffett's
MARGARITAVILLE
G L E N D A L E

Margaritaville Glendale is the ultimate tropical escape in the Phoenix area and the centerpiece of Westgate City Center. The multi-level restaurant presents a colorful collection of indoor and outdoor dining and event options for small groups up to full restaurant buyouts.

The atmosphere is inspired by the lyrics and lifestyle of Jimmy Buffett, whose evocative songs inspire a cross-generational yearning for an island adventure. The main floor is a marina with boats for seating, a navigational chart on the ceiling and a suspended replica of Jimmy's plane the Hemisphere Dancer.

Entertainment is a given. Stilt walkers and balloon artists engage your guests while the fountains outside perform a water show to the tunes "It's Five O'clock Somewhere" and "Margaritaville."

EVENT AND DINING SPACES

Marina Floor

The main floor portrays boats docked in a marina and overlooks the fountains outside. The booths are sport fishing boats outfitted with leather seats, real fishing gear and tournament flags. No detail is spared to create the marina atmosphere.

Tiki Dining

A great semi-private area, the elevated Tiki Dining Room overlooks the Marina Dining Floor. Bamboo, thatched roofs, and of course large tiki heads and torches create the authentic tiki bar surroundings.

Alligator Light Bar and Patio

Inspired by the lighthouse in Islamorada, Florida, this bar is great for larger groups that are looking for a semi-private area.

Riddles in the Sand Bar and Patio

There's no sand under your feet but groups of 35-45 can interact while solving the riddles written in the sand on the bar of this unique area.

PARTIAL BUYOUT:

The Marina Floor, Riddles in the Sand Bar and the two patios may be booked for a semi-private party as well as the entire upper level.

FULL BUYOUT:

If you are looking for an exclusive event, you can make Margaritaville your own tropical paradise and give your group an island adventure they won't forget. Built in screens for video display and state of the art sound/audio visual will take the stress out of producing your group's own show.

Cowboy in the Jungle Bar

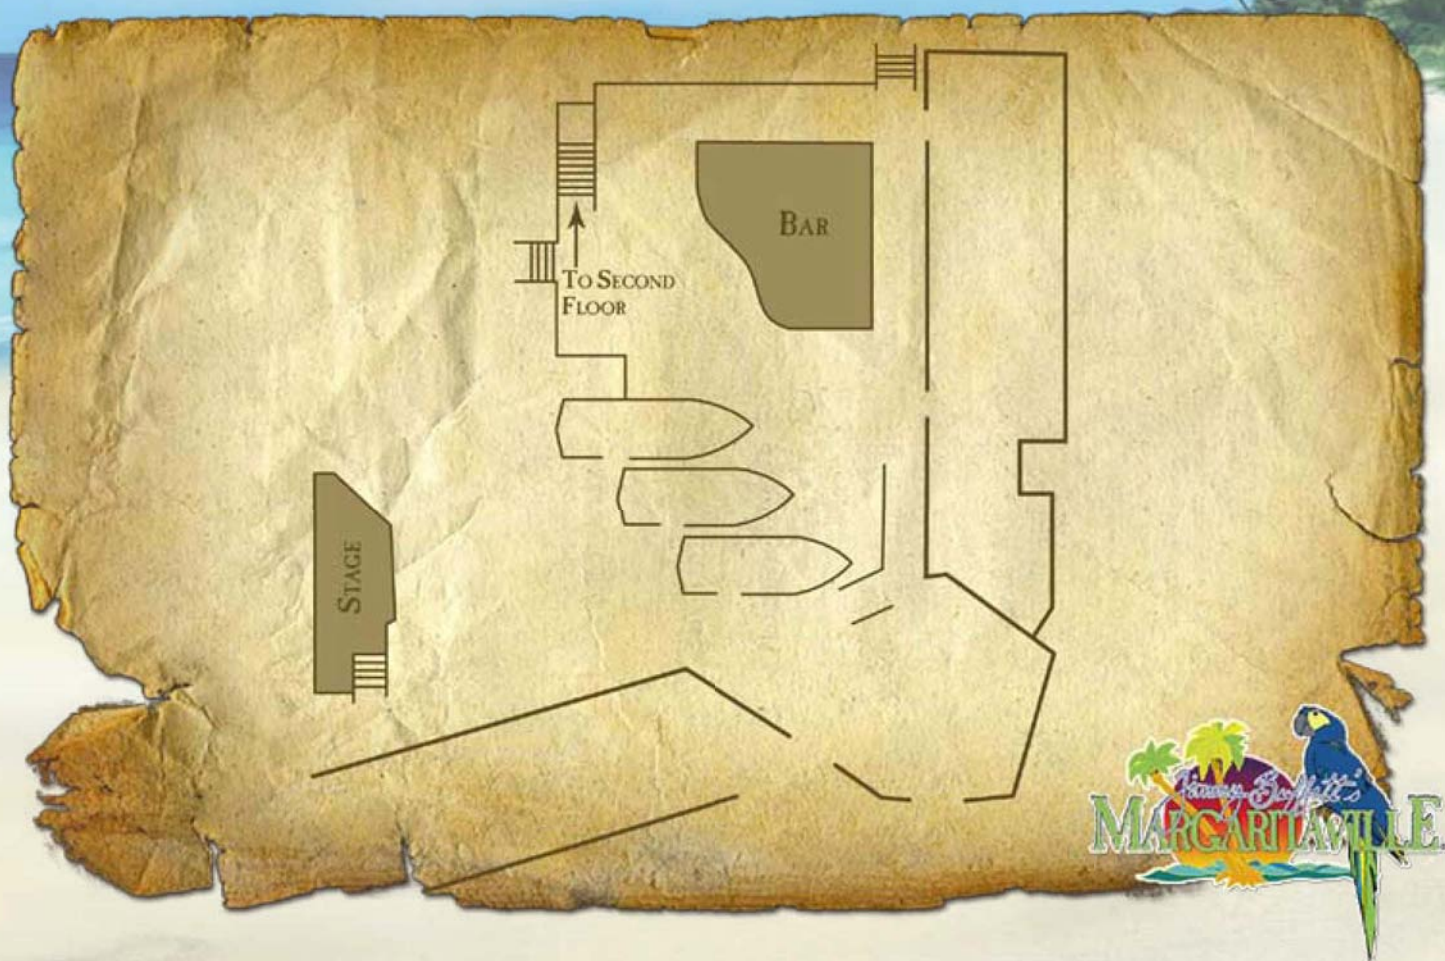

A desert inspired area right in the middle of this tropical paradise. Based upon the song "Cowboy in the Jungle" and "Son of a Sailor," this area is perfect for smaller groups.
